Resident safety:

The safety of residents and their property is always a concern of management. If any suspicious persons or activities are noticed in or around the community, promptly notify management and report it to the police. Residents should always lock windows and doors to ensure that “uninvited” persons cannot gain access. No one will be admitted into your apartment without written permission. If solicitors appear on the premises by persons it considers undesirable.

Also, management must have your home and / or work telephone numbers in case of an emergency. This information will help us contact you as quickly as possible should the need occur.

It is Summertime!

- Please pick up an air filter for your unit monthly– helps with your AC/ Heater units
- Please keep your yard clean
 - Maintain your trash bin, so trash is not blowing on the property
 - NO inoperable vehicles in your yard or your driveway
 - You are responsible to dispose the weeds or debris in your yard
